There you can book a time slot for arrival / set-up as well as departure / dismantling.

Bookings are possible until Sunday, 27 September 2026. After that, registration will be closed and all those without a slot will be assigned one!

We will make a list of all bookings available in the downloadcenter section of our website after the deadline.

(1) Booking a time slot for arrival / setup

You can arrive for set-up at ARTMUC in a **30-minute slot**, on

- ➔ Thursday, 22 October 2026, between 11:00 and 15:00
- ➔ Friday, 23 October 2026, between 09:00 and 11:30

This time slot is only for your **arrival time**. As soon as you have registered, unloaded and parked your vehicle (you have 60 minutes from arrival to do this), you can set up your booth for as long as you like during the set-up times.

(Set-up finishes at 18:00 on Thursday and 14:00 on Friday!)

Click on the ticket link for your preferred day of arrival, Aufbau Tag 1 for Thursday, or Aufbau Tag 2 for Friday.

Now scroll down until the time slots appear.

Here you can see the available slots. You can select one by clicking on the '+' sign next to 'Quantity' in the corresponding line. A "1" will then appear.

IMPORTANT:

You can only select **one** slot. Please check your travel options carefully in advance.

Only one selection or one slot is possible!

IMPORTANT:

The booking of time slots is a requirement so that you can drive your car to the site for set-up/dismantling.

The ticket for the arrival/departure slot does NOT replace the Loading / Unloading Slip, which you can download from the download centre. You must also fill out the Loading / Unloading Slip and bring it with you to the set-up/dismantling.

Your slot selection cannot be changed. In case of problems or if you wish to rebook, you must contact *ticket.io* customer service by phone or register at *ticket.io* to amend your booking:

<https://my.ticket.io/>

We at ARTMUC cannot help you with this, so please contact *ticket.io* directly if you wish to rebook and/or change your booking.

Don't forget to book a dismantling slot now.

You can find out how to do this on the following pages:

(2) Booking a time slot for departure / dismantling

You must book a 30-minute time slot for your departure after the trade fair:

➔ Sunday, 25 October 2026, between 18:30 and 20:00

This is **only** for the time during which you drive your vehicle back to our carpark and **load in after you have dismantled your exhibition space**.

You may dismantle between 18:00 and 21:30 for as long as you need. Please select the time slot accordingly so that you are ready to load your vehicle at your slot. For example, if you expect to need more than an hour to dismantle, do not book the earliest slot.

Click the link for the removal / departure time slots:
